

Gift Aid

As a charity, your giving is vital to us as we support some of the world's most desperate and poorest people. These people are in real need of food, medical care and the very basic necessities of life. On a daily basis they struggle against poverty and illness. Your gift will make a massive difference to their lives.

If you are a UK taxpayer you can make your gifts worth more. For every £10 donated, Eagles Wings can claim an extra £2.50 from the Inland Revenue, making your gifts worth even more to the communities that we support.

Thank you on behalf of the many disadvantaged people that your gift is helping for your support.

To enable Eagles Wings to claim the tax back on your gift, please complete the below form and return it to: Eagles Wings, 6 Woodland Drive, Watford, Herts WD17 3BX.
